

	U.S. ENVIRONMENTAL PROTECTION AGENCY Grant Agreement		GRANT NUMBER (FAIN): 00E02860	DATE OF AWARD 09/16/2020	
			MODIFICATION NUMBER: 0 PROGRAM CODE: GL		
			TYPE OF ACTION New		MAILING DATE 09/23/2020
			PAYMENT METHOD: ASAP		ACH# PEND
RECIPIENT TYPE: Not for Profit			Send Payment Request to: Research Triangle Park Finance Center		
RECIPIENT: Harbor District Inc. 600 E. Greenfield Ave Milwaukee, WI 53204 EIN: 47-1388101			PAYEE: Harbor District Inc. 600 E. Greenfield Ave Milwaukee, WI 53204		
PROJECT MANAGER [REDACTED] [REDACTED] [REDACTED] E-Mail: [REDACTED] Ex. 6 Phone: [REDACTED]		EPA PROJECT OFFICER Stephanie Davis 77 West Jackson Blvd., G-9J Chicago, IL 60604-3507 E-Mail: davis.stephanie@epa.gov Phone: 312-886-0219		EPA GRANT SPECIALIST Robert Fields Assistance Section, MA-10J E-Mail: fields.robert@epa.gov Phone: 312-886-9017	
PROJECT TITLE AND DESCRIPTION KINNICKINNIC RIVER TRASH COLLECTOR The Harbor District, Inc. and partners will install a trash interceptor near the mouth of the Kinnickinnic River. A floating boom will direct trash to a collector and conveyor belts will carry trash to a dumpster on land. This project will capture trash from a 16,000-acre watershed and collect an estimated 75 tons of trash annually.					
BUDGET PERIOD 09/01/2020 - 08/31/2022		PROJECT PERIOD 09/01/2020 - 08/31/2022		TOTAL BUDGET PERIOD COST \$703,389.00	
				TOTAL PROJECT PERIOD COST \$703,389.00	
NOTICE OF AWARD					
Based on your Application dated 02/14/2020 including all modifications and amendments, the United States acting by and through the US Environmental Protection Agency (EPA) hereby awards \$492,300. EPA agrees to cost-share 69.99% of all approved budget period costs incurred, up to and not exceeding total federal funding of \$492,300. Recipient's signature is not required on this agreement. The recipient demonstrates its commitment to carry out this award by either: 1) drawing down funds within 21 days after the EPA award or amendment mailing date; or 2) not filing a notice of disagreement with the award terms and conditions within 21 days after the EPA award or amendment mailing date. If the recipient disagrees with the terms and conditions specified in this award, the authorized representative of the recipient must furnish a notice of disagreement to the EPA Award Official within 21 days after the EPA award or amendment mailing date. In case of disagreement, and until the disagreement is resolved, the recipient should not draw down on the funds provided by this award/amendment, and any costs incurred by the recipient are at its own risk. This agreement is subject to applicable EPA regulatory and statutory provisions, all terms and conditions of this agreement and any attachments.

Administrative Conditions

A. GENERAL TERMS AND CONDITIONS

The recipient agrees to comply with the current EPA general terms and conditions available at: <https://www.epa.gov/grants/epa-general-terms-and-conditions-effective-october-1-2019-or-later>

These terms and conditions are in addition to the assurances and certifications made as a part of the award and the terms, conditions, or restrictions cited throughout the award.

The EPA repository for the general terms and conditions by year can be found at: <https://www.epa.gov/grants/grant-terms-and-conditions>.

B. CORRESPONDENCE CONDITION

The terms and conditions of this agreement require the submittal of reports, specific requests for approval, or notifications to EPA. Unless otherwise noted, all such correspondence should be sent to the following email addresses:

- Federal Financial Reports (SF-425): rtpfc-grants@epa.gov and fields.robert@epa.gov
- MBE/WBE reports (EPA Form 5700-52A): **Robert Fields - fields.robert@epa.gov - GS and region5closeouts@epa.gov .**
- All other forms/certifications/assurances, Indirect Cost Rate Agreements, Requests for Extensions of the Budget and Project Period, Amendment Requests, Requests for other Prior Approvals, updates to recipient information (including email addresses, changes in contact information or changes in authorized representatives) and other notifications: **Robert Fields - fields.robert@epa.gov - GS and Stephanie Davis - davis.stephanie@epa.gov - PO**
- Payment requests (if applicable): **Robert Fields - fields.robert@epa.gov - GS and Stephanie Davis - davis.stephanie@epa.gov - PO**
- Quality Assurance documents, workplan revisions, equipment lists, programmatic reports and deliverables: **Stephanie Davis - davis.stephanie@epa.gov - PO**

C. EXTENSION OF PROJECT/BUDGET PERIOD EXPIRATION DATE

EPA has not exercised the waiver option to allow automatic one-time extensions for non-research grants under 2 CFR 200.308 (d)(2). Therefore, if a no-cost time extension is necessary to extend the period of availability of funds the recipient must submit a written request to the EPA prior to the budget/project period expiration dates. **The written request must include:** a justification describing the need for additional time, an estimated date of completion, and a revised schedule for project completion including updated milestone target dates for the approved workplan activities. In addition, if there are overdue reports required by the general, administrative, and/or programmatic terms and conditions of this assistance agreement, the recipient must ensure that they are submitted along with or prior to submitting the no-cost time extension request.

D. DISADVANTAGED BUSINESS ENTERPRISE (DBEs)

UTILIZATION OF SMALL, MINORITY AND WOMEN'S BUSINESS ENTERPRISES

GENERAL COMPLIANCE, 40 CFR, Part 33

The recipient agrees to comply with the requirements of EPA's Disadvantaged Business Enterprise (DBE) Program for procurement activities under assistance agreements, contained in 40 CFR, Part 33 except as described below based upon the associated class deviation.

EPA MBE/WBE CERTIFICATION, 40 CFR, Part 33, Subpart B

A class exception to the following provisions of Subpart B of 40 CFR Part 33 has been issued suspending the EPA MBE/WBE certification program: §33.204(a)(3) providing that an entity may apply to EPA MBE or

WBE certification after unsuccessfully attempting to obtain certification as otherwise described in §33.204; and §33.205 through and including §33.211. The class exception was authorized pursuant to the authority in 2 CFR 1500.3(b).

SIX GOOD FAITH EFFORTS, 40 CFR, Part 33, Subpart C

Pursuant to 40 CFR, Section 33.301, the recipient agrees to make the following good faith efforts whenever procuring construction, equipment, services and supplies under an EPA financial assistance agreement, and to require that sub-recipients, loan recipients, and prime contractors also comply. Records documenting compliance with the six good faith efforts shall be retained:

- (a) Ensure DBEs are made aware of contracting opportunities to the fullest extent practicable through outreach and recruitment activities. For Indian Tribal, State and Local and Government recipients, this will include placing DBEs on solicitation lists and soliciting them whenever they are potential sources.
- (b) Make information on forthcoming opportunities available to DBEs and arrange time frames for contracts and establish delivery schedules, where the requirements permit, in a way that encourages and facilitates participation by DBEs in the competitive process. This includes, whenever possible, posting solicitations for bids or proposals for a minimum of 30 calendar days before the bid or proposal closing date.
- (c) Consider in the contracting process whether firms competing for large contracts could subcontract with DBEs. For Indian Tribal, State and local Government recipients, this will include dividing total requirements when economically feasible into smaller tasks or quantities to permit maximum participation by DBEs in the competitive process.
- (d) Encourage contracting with a consortium of DBEs when a contract is too large for one of these firms to handle individually.
- (e) Use the services and assistance of the SBA and the Minority Business Development Agency of the Department of Commerce.
- (f) If the prime contractor awards subcontracts, require the prime contractor to take the steps in paragraphs (a) through (e) of this section.

CONTRACT ADMINISTRATION PROVISIONS, 40 CFR, Section 33.302

The recipient agrees to comply with the contract administration provisions of 40 CFR, Section 33.302 (a)-(d) and (i).

BIDDERS LIST, 40 CFR, Section 33.501(b) and (c)

Recipients of a Continuing Environmental Program Grant or other annual reporting grant, agree to create and maintain a bidders list. Recipients of an EPA financial assistance agreement to capitalize a revolving loan fund also agree to require entities receiving identified loans to create and maintain a bidders list if the recipient of the loan is subject to, or chooses to follow, competitive bidding requirements. Please see 40 CFR, Section 33.501 (b) and (c) for specific requirements and exemptions.

FAIR SHARE OBJECTIVES, 40 CFR, Part 33, Subpart D

A class exception to the entire Subpart D of 40 CFR Part 33 has been authorized pursuant to the authority in 2 CFR 1500.3(b). Notwithstanding Subpart D of 40 CFR Part 33, recipients are not required to negotiate or apply fair share objectives in procurements under assistance agreements.

MBE/WBE REPORTING- SPECIFIC CHANGES PURSUANT TO CLASS DEVIATION, 40 CFR, Part 33, Subpart E

When required, the recipient agrees to complete and submit a "MBE/WBE Utilization Under Federal Grants and Cooperative Agreements" report (EPA Form 5700-52A) on an annual basis. The current EPA Form 5700-52A can be found at the EPA Grantee Forms Page at

<https://www.epa.gov/grants/epa-grantee-forms>.

Reporting is required for assistance agreements where funds are budgeted for procuring construction, equipment, services and supplies (including funds budgeted for direct procurement by the recipient or procurement under subawards or loans in the "Other" category) with a cumulative total that exceed the threshold amount of \$250,000, including amendments and/or modifications. When reporting is required, all procurement actions are reportable, not just that portion which exceeds \$250,000.

Annual reports are due by October 30th of each year. Final reports are due by October 30th or 90 days after the end of the project period, whichever comes first.

This provision represents an approved deviation from the MBE/WBE reporting requirements as described in 40 CFR, Part 33, Section 33.502.

Programmatic Conditions

Standard Programmatic Terms and Conditions

A. PERFORMANCE REPORTING AND FINAL PERFORMANCE REPORT

In accordance with 2 CFR 200.328, the recipient agrees to submit performance reports that include brief information on each of the following areas: 1) A comparison of actual accomplishments to the outputs/outcomes established in the assistance agreement work plan for the period; 2) The reasons why established outputs/outcomes were not met; and 3) Additional pertinent information, including, when appropriate, analysis and explanation of cost overruns or high-unit costs.

Additionally, the recipient agrees to inform EPA as soon as problems, delays, or adverse conditions which will materially impair the ability to meet the outputs/outcomes specified in the assistance agreement work plan are known.

1. **Semi-annual progress reports:** Starting with the first full reporting period after the issuance of the award, the recipient shall submit semi-annual progress reports (electronically) to the EPA Project Officer by **April 15 but no later than April 30** and by **October 15 but no later than October 30** of each year, through the life of the assistance agreement. Reporting periods shall be the 6-month periods from October 1 to March 31 and April 1 to September 30. Progress reports shall document progress in writing and in pictures, for the project during the immediately preceding reporting period and must contain sufficient information in order to ascertain that the workplan is being carried out as specified in the assistance agreement. Progress reports shall describe all of the following that apply:
 - (a) Work accomplished for the period, quantifying results achieved. Specify any incremental and cumulative (from October 1, 2014 on) results achieved during the reporting period for all applicable GLRI Action Plan III measures (*i.e.* , the number of responses, exercises, acres, and/or miles for measures on the list at on page 5 of the GLRI Action Plan II: <https://www.epa.gov/sites/production/files/2019-10/documents/glri-action-plan-3-201910-30pp.pdf>) ,in accordance with any direction provided by your EPA project officer and the GLRI Action Plan III Measures Reporting Plan as periodically updated by the EPA at < <http://www.epa.gov/great-lakes-funding>>, particularly:

#

Measure of Progress

4.1.1*

Acres of coastal wetland, nearshore, and other habitats restored, protected, or enhanced.

- (b) Object Class Category changes;
- (c) Corrective actions;

- (d) Projected new work;
- (e) Percent completion of scheduled work;
- (f) Percent of budgeted amounts spent;
- (g) Any change in principal investigator;
- (h) Any change needed in project period,
- (i) Date and amount of latest drawdown request; and
- (j) Delays or adverse conditions which materially impair the ability to meet the outputs/outcomes specified in the assistance agreement workplan.

The EPA Project Officer must be able to determine that all mission support products, services, information or data generation and use, including technology development and verification, is performed in accordance with EPA policies and the assistance agreement. To develop your progress report you may use the outline at <http://www.epa.gov/great-lakes-funding>.

2. **Final Report:** The Final Report shall incorporate project outputs and summarize the nature and extent of the project, methodologies employed, significant events and experiences, a compilation of the data collected and results achieved. Results shall include the cumulative results achieved during the project period for all applicable GLRI Action Plan II measures described in element 1 of the Semiannual Progress Report condition above. The final report shall also include analysis of the data, conclusions, and recommendations. The final report shall incorporate photo documentation of the project and environmental progress under the project at appropriate phases, and appropriate illustrations, diagrams, charts, graphs, and maps to express the data and findings. In order for the report writing costs to be eligible under the award, they must be incurred before the project end date. Electronic and paper versions of the **Final Report shall be submitted no later than 90 days after the end of the project period.** All work products shall carry attribution to the U.S. EPA Great Lakes Restoration Initiative for funding assistance and should also acknowledge significant contributions by others. If applicable, the Final Report shall include:

- A database (Excel or similar format) of field and laboratory data including but not limited to lat-long, date, time, field observations, parameter data, laboratory analysis, QA duplicates/replicates
- Model files including input-output data, model code, model output, and peripheral and post-processing utilities.

3. **Subaward Performance Reporting:**

The recipient must report on its subaward monitoring activities under [2 CFR 200.331\(d\)](#). Examples of items that must be reported if the pass-through entity has the information available are:

- I. Summaries of results of reviews of financial and programmatic reports.
- II. Summaries of findings from site visits and/or desk reviews to ensure effective subrecipient performance.
- III. Environmental results the subrecipient achieved.
- IV. Summaries of audit findings and related pass-through entity management decisions.
- V. Actions the pass-through entity has taken to correct deficiencies such as those specified at [2 CFR 200.331\(e\)](#), [2 CFR 200.207](#) and the [2 CFR Part 200.338](#) Remedies for Noncompliance.

B. CYBERSECURITY CONDITION

Cybersecurity Grant Condition for Other Recipients, Including Intertribal Consortia

- (a) The recipient agrees that when collecting and managing environmental data under this assistance agreement, it will protect the data by following all applicable State or Tribal law cybersecurity requirements.
- (b) (1) EPA must ensure that any connections between the recipient's network or information system and EPA networks used by the recipient to transfer data under this agreement, are secure. For purposes of this Section, a connection is defined as a dedicated persistent interface between an Agency IT system and an external IT system for the purpose of transferring information. Transitory, user-controlled

connections such as website browsing are excluded from this definition.

If the recipient's connections as defined above do not go through the Environmental Information Exchange Network or EPA's Central Data Exchange, the recipient agrees to contact the EPA Project Officer (PO) no later than 90 days after the date of this award and work with the designated Regional/Headquarters Information Security Officer to ensure that the connections meet EPA security requirements, including entering into Interconnection Service Agreements as appropriate. This condition does not apply to manual entry of data by the recipient into systems operated and used by EPA's regulatory programs for the submission of reporting and/or compliance data.

(2) The recipient agrees that any subawards it makes under this agreement will require the subrecipient to comply with the requirements in (b)(1) if the subrecipient's network or information system is connected to EPA networks to transfer data to the Agency using systems other than the Environmental Information Exchange Network or EPA's Central Data Exchange. The recipient will be in compliance with this condition: by including this requirement in subaward agreements; and during subrecipient monitoring deemed necessary by the recipient under 2 CFR 200.331(d), by inquiring whether the subrecipient has contacted the EPA Project Officer. Nothing in this condition requires the recipient to contact the EPA Project Officer on behalf of a subrecipient or to be involved in the negotiation of an Interconnection Service Agreement between the subrecipient and EPA.

C. REQUESTING TRAVEL COSTS

Time and travel costs along with participation in professional meetings and conferences funded under this agreement shall be approved by the EPA Project Officer in advance. Although the EPA Project Officer may have approved this type of activity as a component of the workplan, the recipient (or its representative) seeking to attend professional meetings and conferences not covered/approved in the original scope of work, needs to obtain prior approval from an EPA Project Officer.

Travel Narrative

Specifically, **at least 30 days** in advance, the recipient shall request approval of the EPA Project Officer for any travel plans not previously anticipated and not previously approved as part of this assistance agreement by providing the Project Officer with a description of the event, the location of the event, the event sponsor, travel dates, the recipient's role in the event, the number of travelers and an itemized travel breakdown of costs ((per diem, mileage, lodging, parking/tolls, airfare). The request should also include a justification describing why this travel is a necessary part of this assistance agreement. The recipient agrees that any travel requiring an increase in grant funds or a rebudgeting of funds from other cost categories of the approved budget must be approved in writing and/or by formal amendment to this agreement as applicable.

International Travel

The recipient understands that any international travel requires written prior approval by EPA since such travel requires clearance by EPA's Office of International and Tribal Affairs. The recipient must request approval for International travel not approved in the workplan by submitting a request to the Project Officer **at least 30 days** in advance. The recipient understands that if it incurs travel costs of any kind without EPA's prior approval, it does so at its own risk.

E. SIGNAGE

The recipient shall ensure that a visible project identification sign (with the Great Lakes Restoration Initiative logo provided by the EPA Project Officer) is erected as appropriate at each on-the-ground protection or restoration project. Each sign must give project information and credit the Great Lakes Restoration Initiative and appropriate federal agencies for funding. The recipient will determine the design, placement, and materials for each sign. The GLRI logo should be accompanied with the statement indicating that the Harbor District, INC. received financial support in the amount of \$492,300 from the EPA.

F. PUBLIC OR MEDIA EVENTS

The Recipient agrees to notify the EPA Project Officer listed in this award document of public or media events publicizing the accomplishment of significant events related to construction projects as a result of this agreement, and provide the opportunity for attendance and participation by federal representatives with at least ten (10) working days' notice.

G. HEALTH, SAFETY, AND ENVIRONMENTAL COMPLIANCE

All health, lab and field activities conducted for this project must be in accordance and compliance with all applicable health, safety and environmental laws, regulations and guidelines.

H. MANAGEMENT PRACTICE

Recipient agrees to properly operate and maintain any best management practices or management practices implemented through this award in accordance with design standards and specifications.

I. DISPOSITION OF WASTES

Disposal of all wastes will be in accordance with State and Federal regulations, and is the responsibility of the recipient.

J. TIMELY FISCAL EXPENDITURES

The recipient must ensure funds are expended timely commensurate to the progression of Project Activities. To ensure compliance with unliquidated obligations (ULO) policies, the recipient must **notify the EPA Project Officer** of potential drawdown delays that exceed 180 days.

K. QUALITY ASSURANCE PROJECT PLAN

In accordance with 2 CFR 1500.11, the recipient must develop and implement quality assurance and quality control procedures, specifications and documentation that are sufficient to produce data of adequate quality to meet project objectives. Recipients implementing environmental programs within the scope of the assistance agreement must submit to the EPA Project Officer an approvable Quality Assurance Project Plan (QAPP) at least **90** days prior to the initiating of data collection or data compilation. The Quality Assurance Project Plan (QAPP) is the document that provides comprehensive details about the quality assurance, quality control, and technical activities that must be implemented to ensure that project objectives are met. Environmental programs include direct measurements or data generation, environmental modeling, compilation of data from literature or electronic media, and data supporting the design, construction, and operation of environmental technology.

The QAPP should be prepared in accordance with [EPA QA/R-5: EPA Requirements for Quality Assurance Project Plans](#).

No environmental data collection or data compilation may occur until the QAPP is approved by the EPA Project Officer and Quality Assurance Regional Manager. When the recipient is delegating the responsibility for an environmental data collection or data compilation activity to another organization, the EPA Regional Quality Assurance Manager may allow the recipient to review and approve that organization's QAPP. The recipient must provide the approved QAPP to the EPA Project Officer. Additional information on these requirements can be found at the EPA Office of Grants and Debarment Web Site:

<https://www.epa.gov/grants/implementation-quality-assurance-requirements-organizations-receiving-epa-financial>

L. COMPETENCY OF ORGANIZATIONS GENERATING ENVIRONMENTAL MEASUREMENT DATA

In accordance with Agency Policy Directive Number FEM-2012-02, Policy to Assure the Competency of Organizations Generating Environmental Measurement Data under Agency-Funded Assistance

Agreements. Recipient agrees, by entering into this agreement, that it has demonstrated competency prior to award, or alternatively, where a pre-award demonstration of competency is not practicable, Recipient agrees to demonstrate competency prior to carrying out any activities under the award involving the generation or use of environmental data. Recipient shall maintain competency for the duration of the project period of this agreement and this will be documented during the annual reporting process. A copy of the Policy is available online at <https://www.epa.gov/sites/production/files/2015-03/documents/competency-policy-aaia-new.pdf> or a copy may also be requested by contacting the EPA Project Officer for this award.

M. LEVERAGING

The recipient agrees to provide the proposed leveraged funding, including any voluntary cost-share contribution or overmatch, that is described in its proposal dated 2/14/2020. If the proposed leveraging does not materialize during the period of award performance, and the recipient does not provide a satisfactory explanation, the Agency may consider this factor in evaluating future proposals from the recipient. In addition, if the proposed leveraging does not materialize during the period of award performance then EPA may reconsider the legitimacy of the award; if EPA determines that the recipient knowingly or recklessly provided inaccurate information regarding the leveraged funding the recipient described in its proposal dated 2/14/2020 EPA may take action as authorized by 2 CFR Part 200 and/or 2 CFR Part 180 as applicable.

N. VOLUNTARY COST-SHARE OR OVERMATCH

This award and the resulting federal funding of \$492,300 is based on estimated costs requested in the recipient's application dated 2/14/2020. Included in these costs is a voluntary cost-share contribution of \$211,089 by the recipient in the form of a voluntary cost-share or overmatch (providing more than any minimum required cost-share) that the recipient included in its proposal dated 2/14/2020. The recipient must provide this voluntary cost-share contribution during performance of this award unless the EPA agrees otherwise in a modification to this agreement. While actual total costs may differ from the estimates in the recipient's application, EPA's participation shall not exceed the total amount of federal funds awarded.

If the recipient fails to provide the voluntary cost-share contribution during the period of award performance, and EPA does not agree to modify the agreement to reduce the cost share, the recipient is in violation of the terms of the agreement. In addition to other remedies available under 2 CFR Part 200, the Agency may consider this factor in evaluating future proposals from the recipient. In addition, if the voluntary cost-share contribution does not materialize during the period of award performance then EPA may reconsider the legitimacy of the award; if EPA determines that the recipient knowingly or recklessly provided inaccurate information regarding the voluntary cost-share or overmatch the recipient described in its proposal dated 2/14/2020 EPA may take action as authorized by 2 CFR Part 200 and/or 2 CFR Part 180 as applicable.

O. EQUIPMENT DISPOSITION

In accordance with 2 CFR 200.313, when original or replacement equipment acquired under this agreement is no longer needed for the original project or program or for other activities currently or previously supported by EPA, the recipient must request disposition instructions from the EPA Project Officer. Disposition instructions will be one of the following:

- (1) Items of equipment with a current per unit fair market value of \$5,000 or less may be retained, sold or otherwise disposed of with no further obligation to the EPA.
- (2) Except as provided in § 200.312 Federally-owned and exempt property, paragraph (b), or if EPA fails to provide requested disposition instructions within 120 days, items of equipment with a current per-unit fair-market value in excess of \$5,000 may be retained by the recipient or sold. EPA is entitled to an amount calculated by multiplying the current market value or proceeds from sale by EPA's percentage of

participation in the cost of the original purchase. If the equipment is sold, the EPA may permit the recipient to deduct and retain from the Federal share \$500 or ten percent of the proceeds, whichever is less, for its selling and handling expenses.

(3) The recipient may transfer title to the property to the Federal Government or to an eligible third party provided that, in such cases, the recipient must be entitled to compensation for its attributable percentage of the current fair market value of the property.

(4) In cases where a recipient fails to take appropriate disposition actions, EPA may direct the recipient to take disposition actions.
